

**PURPOSE:** Formulated to provide key nutrients to enhance Post-Workout Muscle Recovery, Strength and Volume in conjunction with Intense Training.  
**RECOMMENDED USE: Workout Days** - Take 1 serving (12.5 g) with 250-300 ml of cold water after your workout. **Non-Workout Days** - CVOL™ has a cumulative effect and should be taken in the AM. CVOL™ stacks well with CARBION™ & IMPACT Igniter™.

**OBJECTIF:** Formulé pour fournir des nutriments essentiels pour améliorer la récupération musculaire post-entraînement, la force et volume en conjonction avec un entraînement intense.  
**USAGE RECOMMANDÉ : Jours d'entraînement** - Prendre 1 portion (12,5 g) avec 250-300 ml d'eau froide après votre entraînement. **Jours de repos** - CVOL™ a un effet cumulatif et doit être pris dans le matin. CVOL™ bien avec des piles CARBION™ et IMPACT Igniter™.

**CVOL™ is a SUGAR-FREE, POST-WORKOUT that turns on key Anabolic triggers responsible for Strength and Size.**

CVOL™ is formulated with 5 g of our Creatine Chelate Complex, 2.5 g L-Taurine, 1 g L-Carnitine L-Tartrate, 1 g Betaine & 800 mg Beta-Alanine; a rock-star list of the "go-to" ingredients, dosed at effective levels for rapid recovery from intense training. CVOL fits your workout. It's absolutely delicious, 100% sugar-free with next to no carbs.

**MULTI-SOURCE CREATINE**

1. **Creatine-Magnesium Chelate:** Patented, ionically-bound and highly-stable
2. **CreaSyn™ Creatine:** The most studied, most proven of all forms of Creatine
3. **Creatine Base:** The purest of all forms of Creatine delivering the most Creatine gram for gram.

**THE CREATINE ABSORPTION COMPLEX**

**Your Gains Will Only Be As Good As the Absorption of Your Creatine Formula**  
 Anyone who has ever taken Creatine knows that absorption is CRITICAL to seeing rapid size and strength gains. The secret – optimized insulin receptor sensitivity! CVOL™ has been built with 3 ingredients that improve Creatine delivery into the muscle cells. In addition, CVOL delivers 40% of highly-bioavailable Magnesium; a key mineral (often deficient in modern diets) and is essential to muscle growth and strength!
