ISOPLANT™

Plant Protein Isolate

LAB TESTED — EVERY INGREDIENT EVERY LOT
LACTOSE FREE — NO DAIRY
NO DYE
GLUTEN FREE
NO ANIMAL PROTEINS

20 G PROTEIN† WITH 6 G OF BCAAs‡

- **PLANT PROTEIN ISOLATE –** Each serving contains 20 g of 100% pure protein made with plant protein isolate. No inferior plant concentrates which are lower in protein, higher in carbs, and have a "gritty" aftertaste.*
- **COMPLETE AMINO ACID PROFILE –** Plant proteins often have insufficient levels of one or more Essential Amino Acids (EAAs). By combining a precise dose of Pea Protein Isolate, Brown Rice Protein Isolate with added BCAAs, ISOPLANT™ contains a truly complete protein source.*

TASTES DELICIOUS LIKE TRADITIONAL PROTEIN SHAKES

- **DELICIOUS TASTE –** By using the latest protein extraction technology, we removed excess carbohydrates, polysaccharides, gums and fibers which give traditional plant proteins that gritty, earth-like taste.* ISOPLANT™ mixes easily and tastes delicious like traditional whey protein isolate shakes.
- **6 G BCAAs –** Plant proteins are naturally low in BCAAs which are needed for muscle growth and recovery.* ‡Each serving of ISOPLANT™ contains 6 g of BCAAs (4 g naturally occurring + 2 g added).

SUSTAINABLE EARTH-FRIENDLY INGREDIENTS*

- **LAB TESTED INGREDIENTS –** Every ingredient in ISOPLANT™ is lab tested before it's made to ensure purity and product freshness.*
- **HIGH IN IRON –** Plant proteins are often low in iron compared to meat sources which can lead to mineral deficiencies.* Just 1 serving of ISOPLANT™ contains 33% of the Daily Value (DV) for Iron.+*
- **ZERO ADDED SUGAR◊ –** Contains less than 1 g of sugar (naturally occurring).
- **LOW FAT & ZERO CHOLESTEROL***

+ Based on Chocolate Flavor. Vanilla contains 28% of Daily Value (DV) for Iron.

SUGGESTED USE: Blend, mix or shake 1 scoop in approx. 8 oz of cold water or low-fat milk immediately before consumption. Ensure to drink enough fluid before, during, and after exercise.
