ALLMAX ESSENTIALS

NEW

ARACHIDONIC ACID

Arachidonic Acid

ALLMAX ARA+ is an advanced muscle builder that combines Arachidonic Acid with RipFACTOR®, a clinically studied herbal extract of Sphaeranthus Indicus & Mangifera Indica.

Supplement Facts

Serving Size **4 Capsules**
Servings Per Container **30**

Amount Per Serving % Daily Value

Arachidonic Acid Powder **1,600 mg** †
(Standardized to 10% Arachidonic Acid)

PowerMaxx (RipFACTOR®) **424 mg** †
[66% *Sphaeranthus Indicus* (Flower Head extract), Standardized to 9.2% 7-Hydroxyfrullanolide; 33% *Mangifera Indica* (Bark extract), Standardized to 11.5% Mangiferin]

† Daily Value not established.

OTHER INGREDIENTS: Vegan caps (Hypromellose), Magnesium Stearate, Silica.

US1001

The benefits of ARA+ include accelerated muscle growth, increased muscle strength, and elevated muscle protein synthesis. Two clinical studies support up to a 2.4x increase in muscle strength and up to a 67% greater improvement in muscle endurance in as little as 14 days.*

ARA+ is compliant with WADA regulations and is safe for use by both males and females.
