

# The World's Most Researched & Proven Supplement

**NEW**

## Flavored Creatine Monohydrate

The undisputed king of creatine - now with two refreshing flavors. - ALLMAX Pharmaceutical Grade CreaSyn™ pairs proven Creatine Monohydrate with refreshing **Blueberry Lemonade** and **Tropical Fruit Punch**, delivering elite performance and taste without sacrificing purity.

Pharmaceutical Grade CreaSyn™ is rigorously tested to meet or exceed **3rd-party WADA banned-substance screening and cGMP standards**, ensuring uncompromising safety and quality. Ultra-fine micronization creates a smooth (200 mesh), free-flowing powder with particles up to **250% smaller** than typical creatine.

Creatine Monohydrate remains the **most researched and proven form of creatine**, used in over **95%** of all studies and supported by more than **300 scientific trials**, with demonstrated benefits for strength, power output, and short-burst performance.
