# ALLMAX ESSENTIALS

**NEW**

**LONGJACK TONGKAT ALI**

# Longjack Tongkat Ali

LongJack, also known as Tongkat Ali or Eurycoma longifolia, has been a revered botanical in Southeast Asia for centuries. Now, Allmax brings you the pure and potent benefits of LongJack Tongkat Ali in a convenient 60 capsule bottle as part of our Essential Series. Our commitment to quality ensures that each capsule contains 325mg of pure unadulterated LongJack Tongkat Ali extract.

## Embrace the Tradition, Reap the Benefits

Known by various names such as Malaysian Ginseng and Pasak Bumi, Longjack Tongkat Ali has a rich history of traditional use in promoting vitality and overall well-being. Extracted from the root of this flowering plant native to Indochina, Borneo, and Sumatra, Allmax Longjack Tongkat Ali encapsulates the essence of this time-honored botanical.

## Clinical Evidence

In a one-month study involving 76 older men with low testosterone, the administration of 200mg of Longjack Tongkat Ali extract per day significantly increased hormone levels to normal values in over 90% of participants [1]. Furthermore, a systematic review and meta-analysis of randomized controlled trials revealed that Longjack Tongkat Ali stimulates sexual arousal and may improve erectile dysfunction in men [2]. Lastly, Longjack Tongkat Ali has demonstrated potential in enhancing sperm quality and motility, thereby boosting male fertility [3].

## Pure Potency, Unmatched Quality

At the core of Allmax Longjack Tongkat Ali lies a steadfast commitment to delivering standardized dosages of key constituents. Each capsule contains 325mg of pure Longjack Tongkat Ali extract, ensuring the comprehensive spectrum of benefits this potent plant offers. Our formula is meticulously crafted to meet the highest standards of scientific validity and quality, providing you with a premium supplement that aligns with your health goals.

## Why Choose Allmax Longjack Tongkat Ali?

- **Pure Potency:** Each capsule delivers 325mg of Longjack Tongkat Ali extract.
- **Quality Assurance:** Allmax adheres to stringent manufacturing standards, ensuring pharmaceutical-grade GMP formulations manufactured in government-inspected, state-of-the-art FDA inspected facilities.
